Make-a-Map Assessment Rubric

Prompt for Students: What is/are [Topic]? Build a concept map to visually represent your answer. Use the supplied keywords, images or take pictures from key parts of the movie. You can also add your own nodes. Connect the nodes with links.

	4	3	2	1
Use of Nodes	Map includes the most important nodes	Map includes most important nodes	Important nodes missing	Map includes minimum nodes with many important nodes missing
Use of Links	All nodes inter-linked with several other nodes Bonus: Some links are labeled	Most nodes inter-linked with other nodes	Several nodes linked to other nodes	Few nodes linked to other nodes
Layout	Map has multiple clear hierarchies and is well laidout	Map has several clear hierarchies and is fairly well laid-out	Map has unclear hierarchy and is poorly laid-out	Map is confusing to read with no hierar-chical organization
